

Clock off. Kick off.

The first tournament from 9to5 Football

The Data Centre Cup.

Five-a-side football between companies across the data-centre industry. One afternoon of proper competition, and the people you work alongside all week, met properly for once.

17:00	Networking drinks

Ready when you are.

Sixteen places, one industry, one afternoon. Entry is by invoice, and a place is confirmed once payment is received.

Mid-tournament challenge

The Finisher Challenge

Each team nominates one player. They run from halfway with one chance to score, eight seconds on the clock, no rebounds. Score to go through. Miss and you are out.

The Finisher Trophy
+ a £100 prize.

How entry works

01

Submit the entry form at
9to5football.com

02

We confirm availability and
send one invoice

03

Pay to confirm your place,
fixtures follow
